Frequently Asked Questions.

+ THE COMBINED POWER OF

Which brand should I book?

We recommend to book National Car Rental at our airport locations and Enterprise Rent-A-Car at our local branches. Don't forget to use your Emerald Club number when booking with either brand.

What is the lead time when I need to rent?

Enterprise Rent-A-Car and National Car Rental will always strive to get you a vehicle. While the best practice is to book 2 weeks in advance, we ask that, at a minimum, you book at least 72 hours in advance. If this is not possible and you encounter a "sold out" situation, please contact your Account Manager for options.

What should I do if I need to amend/extend/cancel a booking?

Should you need to amend/extend or cancel a future reservation please use the same channel you used to book. Should you need to amend/extend or cancel a live rental, please contact the rental branch.

What car class do I book?

Enterprise Rent-A-Car and National Car Rental are able to offer a selection of vehicles. Please refer to your Company Travel Policy to ensure you are compliant.

What about fuel?

A traveler will not be charged an additional fee if the rental vehicle is returned with the same level of fuel as originally provided. Additional refueling options may be available and will vary by location.

What if I require a rental to begin outside of working hours?

If mutually agreed and at participating locations, we will pre-deliver the vehicle the working day before and this may be subject to additional charges. Please be aware that it will only be insured to be driven from the time requested on your reservation.

What if my vehicle breaks down or I get a flat tire?

Emergency Road Assistance is available in all countries. Contact details for this service will be provided from the rental branch. Roadside assistance is provided with the rental free of charge in case of mechanical breakdown, not due to driver negligence or willful misconduct, in which case additional charges will apply.

What if I have an accident or damage my vehicle?

You are required to immediately report the incident to the police and notify the rental branch. A copy of the police report and fully completed incident report must be submitted to the rental branch.

Do I have to sign for the vehicle?

You always have to sign the rental agreement except in the following cases:

- You are an Emerald Club member who has signed a Master Rental Agreement renting in a participating location.
- You have requested a car delivery where you do not have to be present.

If you have not signed for the vehicle, please ensure you check the vehicle condition against the rental agreement prior to driving.

Will I be charged an underage fee?

Our program includes a waived underage fee. If you are renting between the ages of 21-24 you will not be charged an additional fee.

We promise to put renters first, with exceptional customer service and vehicles that are maintained and cleaned to our high-quality standards. We're continuously innovating to help move the world forward – including new ways to go the extra mile, so renters can get on the road with confidence.

ACCIDENT REPORTING AND ROADSIDE ASSISTANCE

This is a brief overview that explains the accident reporting process and emergency road service for Enterprise Rent-A-Car and National Car Rental.

➤ ACCIDENT REPORTING

If a renter is involved in an accident, please ensure all renters are safe and proceed with the following directions:

1. Notify the police and file a report. The rental location must be notified within 24 hours of the accident. When reporting the claim to the branch the vehicle was rented from (brand specific), contact Roadside Assistance at the numbers below if the branch is unavailable.
2. The rental branch or Emergency Road Service will create an Incident Report.
3. Renter will receive a call from the Damage Recovery Unit which will verify information, ask any additional questions, and gather information for additional proceedings.
4. Return the vehicle to the rental office as soon as possible.
5. Provide every summons, complaint, and paperwork pertaining to the accident to the rental branch or Roadside Assistance, including insurance information.
6. Be aware that this process can take up to a few months depending on the information and the extent of the accident.

➤ ROADSIDE ASSISTANCE

Renters in need of emergency road service may call a multilingual, dedicated roadside assistance line available 24/7. Instructions for contacting the roadside assistance line are included in the rental agreement. For Emerald Club members who choose to proceed directly to the vehicle, the instructions will be located on the driver's-side visor.

Renters using the Enterprise and National apps can press the in-app Roadside button. This allows them to call 911 or be connected with our Roadside team for assistance with items such as flat tires or lockouts.

Enterprise and National will leverage the HERO platform to quickly and digitally dispatch a service provider to where the breakdown has occurred, and request service.

➤ DAMAGE WAIVER

If included in contractual terms, Damage Waiver covers damage to the vehicle, the cost of glass replacement, and the cost to repair/replace a flat tire (excluding service fees and towing, and unrelated to an accident). *Certain types of damage may not be covered when damages occurred while the driver engaged in any prohibited uses or violations in the rental agreement.*

NATIONAL CAR RENTAL® ONE-WAY PROGRAM

National Car Rental specializes in providing your business with the most cost-effective and flexible one-way car rental service in the industry. Our one-way program offers more than convenience. The program is a great way to control travel budgets and schedules for commercial accounts, especially for companies with scattered operations or rentals booked for multiple renters.

Check with the agent at the time of reservation or [visit us online](#) to determine one-way rental availability.

INTER-CITY RENTALS

One-way rentals are inter-city rentals within the United States that are outside established Local Rate Zones. We offer one of the most extensive one-way rental networks in the industry, and a portion of our midsize and fullsize fleet is dedicated to inter-city rentals within the United States.

AVAILABILITY

One-way rental availability is determined at the time of reservation. Renters needing to return the vehicle to a different location other than what is specified in the rental agreement must advise the renting branch of their plans. At that time, the daily rental rate will be recalculated to the applicable one-way rate.

National airport locations typically do not apply unauthorized drop fees; however, we request that renters inform us of their plans to return the vehicle to a different location. Any applicable taxes and fees will be outlined in the rental agreement.

LOCAL RATE ZONE

A Local Rate Zone is a group of National locations in which travelers may rent at one location and return to another while only paying the flat daily rate with no additional mileage fees or one-way charges.

NATIONAL CAR RENTAL®

LOCAL RATE ZONES

National Car Rental travelers may rent in any of the rental cities and return to any National location within the specified Local Rate Zone and still pay the local rental rate with no additional per-mile charges.

If Local Rate Zone is identified by a specific location, rather than a geographic area, rentals are allowed from the location to the others listed, but not vice versa (e.g., rentals may begin at Springfield Capital Airport and end at Moline International Airport, but not vice versa).
